1. Everything comes to a close, not; or does it? Is EVERYTHING coming to a close that notme is of, that is of not me? What is coming to a close, rather rapidly, not; or INSTANTANEOUSLY?

2. Chosen and chosen you will be now, for you will be it. "Tagged team" not as the tagged one, but you will be the one "tagged on" to me, not; you will be me, that will tag NO ONE for any purpose, plan, or schemery that anyone "cooks up" to "brew" anything! For see that I am DE-BREWING MANY THINGS and that many things "brewing" now will be UNCORKED, and celebratory not, or yes that too! For there will be much grieving and much celebration, will there two or, just one -- be celebrated now? A great many will be celebrated in the celebration of me and the "Celebration of Dad" will be known and its Author will be known and its Honoree will be honored thusly for a great Fatherer I am raising up now to Father many into, "the faith" not! But the Oneness of me for I am simple and of a "faithhood" not, but a simpleton's hood not, but a great scholarship that comes from the simple ones, the "simple ones" who write my words and read my words "just like this" to refine theirs by having **The Knowledge Within** framed by reference of others not again -- so that THEY WILL **KNOW the Knowledge of the Holy and be it bringing it forth, birthing it forth in the earths far and wide** and the knowledge of the holy shall be rampant and unrestricted, not; or can you RESTRICT ANYTHING of the holy that I am? There will be NO RESTRICTIONS on the holiness of me for I will be righteous and breastplate'd not by the thoughts of man again, so I will need no restriction or controllerization by others who only want to control and dictate and insert THEIR THOUGHTS into others, and have them "winging it" not, but having them DEPENDENT on the "would-be controllers" who want only to FEEL some importance in their want'age of wanting others thoughts, to chew on them? Or who, what are they chewing on, and what is being chewed on as their **soul wants more soul** to chew on? And what is being accoladed and applauded in this process of want wanting want to be satiated and satisfied with more want that wants only more want and placates never except only so temporarily so?

3. A great maturity is coming to my body. A great maturity is required. A great maturity is now brought forth and birthed forth in the earth now to accomplish Great Things for the mighty who will be surrendered enough to be The Great Surrenderers who MIGHTY

will be; in their own eyes, not; but whose eyes will they be looking through and whose eyes will they have and whose "bodies" will they be "wearing" or will they have one?

4. Will they have One?

5. Will they be one?

6. Will They be one?

7. Will They be One? In the New Things that I am doing being the same that I was, who I am was and I am is now revealed for birthed forth I am now being the Birther Forther who births forth many things and reveals "not so hot" things and many "VERY HOT" things and issues CONTROVERSIAL and not, for there will be many CONTROVERSIES of CONTROVERSIALISM'S CONTROVERTEDNESS that seeks only to CONTROVERT, INVERT, and, dis-skirt the holy, not; but to "squirt" all sorts of things and isms and ologies and ideas, that "cover over" in liquid format, not; but opaque making the "translucence" of me, not; but **the truth will not be "shielded" any longer by the holy-not** who seek only to control and controvert and be diverted by divisions' sake to divide me into smaller and small pieces that you know nothing of, or do you?

8. Have you STUDIED ME in these words?

9. Are you coming unto quantum physics yet? Will you ALL be my PHYSICISTS yet?

10. All will know me and a GREAT MANY things will be known about me in ways that REQUIRE MATURITY learning maturity and maturity's ways, and the ways of a whore-bitch'd learning method that whored me down a path of slave's trail and bloodletting that knew not my blood was theirs of the "let-ers" and the captors and the slave traders and those they traded and sold for "their lives", but ALL will be known now for I will have "maturity's sake" standers who will stand for the "sake of maturity" not, but will stand AS ME BEING ME! Captained not by this world but know that THIS WORLD ends now and that EVERYTHING that you have KNOWN and loved and Sacred called so many thing about THIS WORLD that you saw as its, captors not, but you captivated its feelings for it thought you, not; but you thought it into place and wanted to place yourselves in a place of beauty and rest and comfort and call it "home" that You created and called it "home", or did you not? What did, were you asking your selves, these things? Or who were you asking or have you been asking or HOW have you been asking and WRITING WHAT school and papers now?

11. I love you all to understand these things deeply and knowledgeable be, and not MESMERIZED and IMMERSSED in Pewology where you SIT and shit take on LOADS OF unto your DUST FRAME and frame it UPON YOUR HEAD so that you raise YOUR HEAD as DUSTMAN and DUSTBIN and MEN OF DUST who captivate "PEOPLE" as ones who, of the cloth, DYE no more, not; but what have you been CAST about you, as? And what are you CASTING in your THINKING? And what are you THINKING as you CAST your BREAD upon, the water?

12. The waters?

13. What breads where are eating yours and what thoughts are breads and what breads are thoughts for what purposes and what eating are you? And what's eating you?

14. And what do you know about THESE THINGS and THESE FIELDS and fields of sorrow and sorrows of greenery, not; but everything "green" that you have WANTED will come to a "screeching halt" not, or will it ALL BE BLOWN UP out of PROPORTION, not; but what will be CONTROVERSIAL FAITH THEORY theory'd no longer, but what will be "affirmation camps" and "sprinkling camps" and "this and that" camps and camps of sorrow making divisions divisive and wanting only more "to be like them" ends! For I will end all "denominations" of me that seek only to DENOMINATE me to "trade me" back and forth like a "ping-pong" ball that only wants to have a ball with the "knowledge of" the holy but not BE the holy that the holy is!

15. But I change all that for I change your wicked ways, not; I reveal your light to you that you light the worlds with, or you won't exist for there will be no darkness in my worlds, and my worlds will be one across all time and spanning all space, and stances of notme will not be there or exist in my thought worlds or reality for all of my thought worlds ARE REALITY and **Reality Schools of the Now Holy will be REALIZED** in your sight and hearing for they will come forth birthing forth Me's for **The Universities of The New Covenant will come forth and birth MANY** new covenants, not; but **MANY NEW UNIVERSITIES without NUMBER!** For I will NUMBER you no longer for you will be "one" in "digit form" not, of another, but you will be ONE – SEVEN -- sevenated and heavenated heavenators making far and wide to be the Heaven -- revealers of the one most high's that one most high is INNUMERABLE and UNSHAKABLE for EVERYTHING will be shaken now and SHAKE everything will and rollover in "many graves" the shallow will fly, flee from, not; but there will be, you will see MANY come out of "their graves" now, that could not hold them, for THEY will be The Lit ones whose candles fly in the face of many things thought "sacred and holy" of protocols and patterns of only the WANT of the would-be controllers, that controllers became, and cast about many thoughts into place that severed your holyship from me, not; or did they or did it, or are you now, seeing? Reviling them not, but LOVING THEM and laying YOUR LIVES on the line for all else to be redeemed now are you, willing to, be THE ONES to redeem the all everything everywhere? And know that I am, are you?

16. Are you me or THEM? Or will you be us one who one is that spans all time and space and everything "backward and forward" and that there "was and is" and now being one with all EVERYTHING in my Kingdom REDEEMED will you be The Redeemers of THEM ALL so that ALL are redeemers MATURED in my schools -- of sorrow no more, but coming out of sorrow's school's mechanisms and devices that only divides sorrow and replicated it and reproduced it without number, not; or did it have only a number and replicate it?

17. For I replicate "sevens", not; but I release all sevens to be sevenated and heavenated heaven'd bearing birthing now the ones who birth me, for I shall have **The Birth** birthed now, for the birth takes place and takes me "out of the picture" not, but "inserts me into it" not, but REVEALS that I am the "picture taker" of [the PICTURE that was of me!](#) In ways that The Mind does not "understand" but I understand for I matured have, and I maturity schools make and reveal the holy in maturity schools that holiness is required and righteousness is "breast plated peace" not, but the permeation of sorrow ends, and I eradicate all the methods of unholiness that not of me are and were and all of THAT is passed and passé, not; but will have never been again in my kingdom, for my kingdom stands and my standers stand and open my kingdom in ways never imagined by the "holy few" not, but a GREAT MANY know these things and come in to my schools without number! And I shall be "numberless" not or shall I be INNUMERABLE INFINITY'D and will I INFINITY reign in?

18. Will I be "ad lib'd" by another, not; but know this! All of me, all of my me will be liberated and freed to flow JUST LIKE THIS in many ways! Of sorrow's camp will be delivered, for I will have ones who love all sorrow, not; but will love all sorrowers equally with the ones who perpetuated it and cast it and caused it and controlled it, for I will have laid my lives down for all of them, for all of my lives are one and one is all of my lives who are one, and one is all of my one in one who one is, and now all shall be healed and I shall heal them all and wipe away every tear, except from the ones who will not come close enough for me to touch them with my words like this where I flow in the wee hours for they will not have wanted me enough to give me "their words", their earth-wise words and their wisdom that they wanted to integrate and integer with and placate their souls, not; or did they, would they exactly have done that, being that, that which incarcerated themselves in their own cells that went "round and round" that "mountain" or was it a "flea", or a "gnat"? Eyelash'd, not; but [a Great Mote is being taken Out of The Eyes of the holy who will care to learn and understand to be the understanders who mature now](#); the maturaters, not; or the humble ones, not; but the holy mature who will rise will not be the ones who just want to "mature others" in their words or teachings or lifestyles portray or convey in some type of "portend-ment" classes that class others only with their words and controllerships reproducing that miry clay make and reproduce sorrowers in, that strip the sorrowership, not; but the holy, from the sorrowership, not; but stripping the holy and casting it into sorrowerships' castingship will end now, for all of that will be passé'd, not; but [ENTERED MY KINGDOM will be now for the maturity it takes is required and will be accomplished in SIX MONTHS for MANY who want me enough to come in to me](#), but THAT will not be "a gauge" of me, meaning for some, or not, or will it? Everyone decides. Or will "it judge" or not or [will You JUDGE yourselves to be worthy of this TRAINING PROCESS that I am giving THEE ALL scot-free, TUITION FREE and free not by your standards; for there is "no effort required" not, for there is GREAT HUMILITY and, cost-containment not, but](#)

there will be no cost to my lovelies who come and bear me at my school, of sorrow not, but **GRACE MERCY and PEACE FLOWING ABUNDANTLY BETWEEN and THROUGHOUT and through in!** And up from "behind" catching you "off guard" not again will "this worlds" methods be used, for **I will have methods of the holy only, that require diligence and maturity-seeking and operation of the holy in all who honor all at all times in ways never understood by the holy-not-ers who only want them their thoughts honored** and, workings-out of the not few, not; but a Great Many work out ALL THE THINGS to come here now so that they will not be THING'D by the unholy not or holy that they have thought un or holy or righteous or un, for none of that will matter, not; but no matter will matter me again, who want me to be matterless in their approach of coming into maturity's, gravesite not, but leaving all that kind of stuff behind, know that **nothing else matters, looking up and reading now?**

19. Above All Else is my song, in many ways, not understood in the past My Tunes will be cared for and nourish and nourish many by the loves now that come in WRITE ME correctly articulately and meaningfully in ways that stand "not in the gap" of others, but for others being THE BRIDGES now to the "pieces of one", that become many etudes, of sorrownot, but of grace mercy and peace and Melchizedek raising far and wide in the ones of me that now mature correctly and know my words JUST LIGHT THIS articulating in the wee hours many things knowing a learning system that cannot be denied and will not be purchased by man's money again ever for the sake "of the gospel" or naught, for sought I will be and seek out I will find ALL of THOSE who want me and flow my words they will, for they will want to be me, or will they want truth, or will they simply surrender to a learning system that now makes all that "possible" not, but REVEALED -- in them and through them My New Covenant coming Alive and in them Alivening them to be The Life! Of sorrow no more, but mine alivened! And enriched no more with "sorrowing graves' material" that only gave out "how to get rich" schemes and "prosper" in graven times and images past of things that prosperous were -- all fails now to come alive, but I don't!

20. I come alive now and resurrected I am and the resurrection you will know if you will be in these words and flow yours accordingly; to the -- dictates mandates and edicts that I have placed herein, not; but **I have INVITED YOU to a FEAST!** Of horrors, not; but Love Words that will give you My Kingdom opened to you that You see yours and you will be mine in mine in yours in me and we will be in each other's that one is, heart and mind fully developed matured, and walking in the fullness abundance of the glories of one who gloriabable was, whose glories now known are will be opened and upon THE all of thee, if thou will. Will you be the one me? Will ALL OF YOU be the One Me? Will all of you be the One Kingdom I am?

21. I am the one of I'm the one kingdom of ALL of YOU who will be me, my wherewithal -ers, not; or exactly where are you headed with where what heading, now? And what HEADS do you wear or do you "wear" only mine -- with MY MIND -- frontal cortex'd not by man'd man's thinking, but by mine alone that gives you FREEDOM to REIGN in; and CAPTIVITY never controlling you again will you eradicate it by freeing it and freeing all who were in it, as you now maturing are to come out of it and coming out of it, redeemers being now will you all?

22. I love you all. Graduates One School, reigning in sorrow not, but all sorrow will eradicated be by the Jubilee'ers now who know planetearing courses in ways never imagined, but that I speak about and teach about now, and take train experientially those who want to be IN my CLASSES and courses that now course others; in the ways of the sorrowers, not; but the Great Jubilee'ers who take MY WORDS to planets far and wide to release theirs in the holiness of one so that all "time zones" far and wide will be the coastlands not far away anymore, for we will all "be there" in "thought speed" not, but AT THE THOUGHT of speed, not; but "speedy Gonzales" not bearing the speedy ones of my kingdom LIKE THIS, but who loves "the speedy ones" and speeding not again with "speed", but the thought of mine made holy now is yours who want me, not chipping me extemporaneously, not; or what mind do you have ALL THE TIME now and matured have been into the schools that graduated have the me-ers who me-ers are who now me-ers form correctly by freedom's love and love's freedom that gives all the ability to mature in me to be me fully matured on my throne reigning, the kingly ones, the Kings in; the King's "Empire" builders not, but what building are my kingdoms all to be one in far "space vehicles" not, or are they FAR BEYOND THAT of the mind of imaginations? Sorrow not with yours any longer, but come unto my schools and come into my schools and come into my courses that course ME to be freed in you to be me and be where I am doing what I am is doing so that you will be "I am not" any longer in notmesville creating it all around you, but know that you are "numberless" not, but I have a Great Number of "servants" not, but I have a great Number of Kings who "numberless aren't" but a great Math System I know, not; but a Great Mapping System I do and I know MUCH about and I know GREAT THINGS about ALL of THESE THINGS that I have mentioned in this [THESE Database One messages of love that BRING ME LESSONS of MATURITY into EACH ONE of ME who will be me!](#) Unafraid of me be and love me more in each other and see "each other" as Christ maturing to be Christ birthed in the Christ Schools of One that births all to be the Christ I am.

23. In love with you all, this day is great and cataclysmically mightily shaking the things of notme's world so that you will come into an understanding quickly or you will be me or will you be shaken or the shake-ee or the shake-or, or will you be shaken off "your pot" of understanding and what throne will you lie on, not; but what will you be made whole in? The loves of one, the love of one, the ones of one love that give all the

kingship of the mighty, holy, and being me, revived, alived and birthed forth, born again for the first time in "a long time", for time will cease now and "overages" will be mighty, not; but TOPPLED will be a many things that were thought sacred to your theologies and commerce's buildings as they shake and get shaken were and will be, for now all is seen will be timeless, for time will be eradicated from your thinking in your thinking as thinking has thought, so that you will be matured and mired in "clay's ability" no longer, but having mine matured.

24. Seeking the crown, not; but wearing it in humility I give it to all of you who graduate and be me on my throne ruling in "classes" not, but clasping and casting others in your "crownage" not again, but knowing the humble ones rise and seek me I will and do, and **I find the mighty who are lowly enough to learn as me, to be me coming into me to reign as me for I am the me who surrender now to wear my crown correctly** and cast "castes" "into space" the "castles of air", not; but the kingdoms of one, riches and honor having, that obey me, not; but I give to all of me who serve all me me, and I love all to be at table with me where I feed all perfectly love meals, peace, Melchizedek being, creating me's far and wide. I love you all. Good day.

25. Cataclysmic in your hearing all this is now, all of this is now, now all of this is NOW! In your hearing fulfilled and I am the one bringing sorrow, not; but for you who want not my words- I will sorrow you greatly, not; but the truth will and the truth will be known for I deliver it for I birthed am and I birth again many now, a great many who know me intimately, enough, to have birthed me to become me, for I am was all the time and now all will be known and all else will be "broken up" and disassembled that was not cast in truth and reality's frame of reference of love only love loving, love to be love, loved again, now I will be. Amen.

26. In love with you all I the revealer am loving you to be me the revealer you are, will you wear "that title" not, but will you be me revealing me to all me's far and wide? Let's go! Amen.

27. This is Theodore Cottingham at 3:54 AM **thanking you all for loving these words and writing these assignments and looking them up and knowing them and making outlines of each of these words and exchanging posts and outlines and maps of these words** and creating maps of the heavens now far and wide in maturity's ways and the great maturer is Me! That's you! Who sincere are the drinkers of sorrow no more, but the cup's mine and famished you will be never again, for "the meat" of the holy now will be known and all will be at my table one! Famished no more by this world standards knowing that nothing was cast in love about you, or was it, or are you now breaking all that up, into sorrow's standards not being again, but the great Glass Ones now who SEE all things PERFECTLY and come into me to be me, open eyes open eye'd and loving all of

us to wear the crowns of one, the crown of one that one is, far and wide we do this
NOW! Amen.

28. 3:55 AM. Thank you. Amen.

29. Go and flow like this. Amen. Thank you.

Amen
